

ROOM LAYOUTS

What you really need in a conference and function venue is flexibility, at Mercure Wellington Abel Tasman we have just that.

Our four main function rooms are bathed in natural light and are suited to a broad range of uses from conferences to special events. They have versatile interconnecting layouts offering a wide variety of set-up options.

All our conference rooms have their own independent heating and cooling system; giving you total control of the rooms temperature.

AV EQUIPMENT

We can provide a wide variety of Audio Visual equipment to suit your needs, please ask us for an up-to-date price list.
