Conferences at Peppers Bluewater Resort

By day, the crisp mountain light streams through the conference room windows, as the brilliant turquoise blue of Lake Tekapo blends vividly with the russet red and beige tussocks of the Mackenzie Basin high country. By night, a stratospheric spectacular plays out; at nearby Mount John Observatory delegates can explore a fully revealed cosmos, recognised worldwide as an International Dark Sky Reserve.

Welcome to Peppers Bluewater Resort's conference facility. With a capacity for 100 delegates in a cocktail format, or 80 in a seated banquet, this alpine haven three hours from Christchurch provides a unique backdrop for business occasions of all shapes and sizes.

Team Building Activities

Challenge and excite delegates away from the boardroom with a vast range of team building activities and experiences in the scenic Mackenzie region.

Scenic walks

Escape the boardroom and spend the day surrounded by nature. Whether you're looking for a relaxing walk in native forest, a more demanding hike into alpine wilderness, or simply a quiet place to sit and enjoy the view, the Mackenzie and Mount Cook (Aoraki) region has it all.

Golf

Enjoy a serene round of golf with colleagues at the Cairns Golf Club. Providing a magnificent vista of the Mackenzie Basin and Tekapo area, the 9 hole course is designed for fun and the key objective is strategy.

Tekapo Springs Day Spa

The Tekapo Springs Day Spa is the perfect place for your delegates to relax, unwind and experience luxury pampering while overlooking the picturesque setting that Lake Tekapo offers. The spa has many wonderful packages which they can tailor to suit your delegate's needs.

Hot pools

The remarkable and soothing hot pools provide the perfect place for delegates to unwind. Enjoy the choice of three outdoor hot pools heated to between 36 and 41 degrees Celsius. Each pool offers something different, massage jets to assist in taking away any aches and pains or fountains to splash under. There are also steam and sauna rooms or a cold plunge pool for the brave.

Horse riding

The natural beauty of the teal blue lake and chiselled mountains in the Mackenzie Country are best experienced from horseback. Your delegates will truly relish the memorable experience of a guided trek through the scenic region for 1-3 hours or overnight.

Star gazing

From the summit of Mt John, delegates can look up and see the night sky in all its pristine glory. In an International Dark Sky Reserve, the sky is free from light pollution and is picture perfect.
